# WELCOME

---

Square Edge Arts Centre warmly welcomes you to the **Art Trail Manawatu 2019**. This is your guide to a weekend of creative intrigue and inspiration. Acknowledgement and thanks go to the funders and supporters of this event and to the artists who have come on board this year.

## “ Art Trails are such a great idea...

They are like a festival, but instead of huddling into dark venues late into the night, or dealing with crowds around mainstages, you get to luxuriously explore a region, delving into the spaces and nooks and crannies to discover treasures and learn new things.

Via the art trail you get this chance to be intimately informed about the artists from your region and their work. Via the art trail you get the chance to beautify your life a little more by picking up some excellent work. Via the art trail you get exposed to exciting new ideas, and you get connected with cool new people.

Ultimately for me – via the art trail we have this amazing coming-together. Of artists, of people, of our community. And through this kind of coming-together we create a healthier and more connected world for ourselves.

I'm looking forward very much to experiencing works in new and possibly more natural surroundings. I'm also looking forward to seeing you at the opening night or another of the events that happen during Art Trail Manawatu 2019. ”

“As Chairwoman of Square Edge Arts Centre, I would like to warmly invite you to our third edition of Art Trail Manawatu.

In this 2019 edition, we consolidate on the previous two years learnings to bring a more powerful and refined event that maximises the experience of participating artists, as well as public attending the event.

During this weekend, local artists - some emerging, some well-established, open their creative spaces to share their world with all of us and showcase their talents.

We have over 70 participating artists this year. The journey starts in the very heart of our city, here at Square Edge Arts Centre, and stretches to the foothills of our Ruahine Ranges, through the Manawatu to our beautiful coastal areas of Foxton beach.

Follow the trail of our artists and immerse yourself in the colours, shapes, brush strokes and textures of their creative realms.”
